

BUFFET MENUS

We love hosting parties and get-togethers at The Unthank – whether for weddings, birthdays, engagements, retirements or even to celebrate the life of a loved one - we can offer suggestions for ways to maximise your guests' enjoyment and make sure you have as relaxed a time as they do. We can suggest room layouts, decorations, timings and combinations of drinks and food to make the perfect event.

Below are our buffet menus – ideal for an informal occasion. If you'd prefer a seated meal we have delicious two and three course menus available or for something more informal you and your guests can choose from a selection of dishes from our seasonal main menu.

We try to be as flexible as possible but have some guidelines to make sure things run smoothly.

All our menus are available for a minimum of 40 guests. Our buffet menus are suitable when you'd like to give your guests a full meal and perhaps sit down to enjoy it. We've got a great choice from more traditional style

buffets to some 'interactive' choices where you can choose the main event and your guests can get creative with the toppings! Our Party Fillers are designed as a tasty treat to keep your guests fuelled to enjoy their evening – they aren't a replacement for a full meal or buffet but they are the perfect choice for a relaxed, informal get-together and will leave your guests content.

We offer a great choice of menus and will always accommodate any guests with specific dietary requirements. We're not able to combine menus but we're happy to try and meet your requests if there's something you particularly want to add or take away from a menu.

If you don't see what you're looking for below then please call the pub on **01603 631557** or drop us an email on postbox@theunthankarms.com and we'll see what we can do for you.
